DONOHOE TOPS OUT ABINGDON HEIGHTS

WASHINGTON, DC - **Donohoe Construction Company** recently topped out the Abingdon Heights project in Arlington, Virginia. The project will feature an 11-story condominium tower with 213 units and 3 levels of below grade parking, 24 stick-built townhouses, 7 structural pre-cast plank on masonry townhouses and 4 duplexes. Amenities will include a fitness center in the condominium tower and an outdoor swimming pool.

Completion is scheduled for Fall 2008.

The owner of the project is Arlington Condominium, Inc. The architect for the project is WDG Architecture, PLLC.

Donohoe Construction Company is a division of The Donohoe Companies, Inc., established in 1884 and headquartered in Washington, DC.
